CELEBRATING 150 YEARS

....

Since the launch of our *Forward in Faith* campaign in 2017, St. Patrick Church has welcomed more than 100 new families to our parish. With more than \$2.7 million raised of our campaign goal, now is the time to prepare the way for welcoming future generations of parishioners to St. Patrick Church by fulfilling our plans to expand and renovate our beloved Church and future Parish Center.

BREAKING GROUND

....

The success of St. Patrick's *Forward in Faith* campaign demonstrates the extraordinary generosity of our faithful parishioners and your commitment to our parish. Since 2017, we have worked diligently to refine the architectural plans for the Church and Center renovations in a way that aligns with our financial means, *without compromising our vision*. Because of this work and thanks to the more than 200 parish families who made sacrificial pledges to the *Forward in Faith* campaign, we are only \$670,000 away from breaking ground in 2021.

GOING FORWARD IN FAITH

....

We now look to our parish family once again to help us realize the remaining costs needed to fulfill our plans for renovating St. Patrick Church and expanding our Parish Center with a renewed commitment to the *Forward in Faith* campaign.

We are moved and emboldened by the continued extraordinary efforts of our parish families. Together, we celebrate the 150th anniversary of our founding by achieving this historic milestone for St. Patrick Church. Let us go forward in our Catholic faith for another 150 years, ensuring our parish is a place for community and worship for generations to come.
